Sibelius

Sibelius 5

The fastest, smartest, easiest way to write music

Sibelius 5

Sibelius 5 is the essential software for writing, playing, printing and publishing music notation.

Designed to make your life easier, save you time and produce beautiful results, it will enable you to do things you might never have dreamed of – like publish your music worldwide, or create your own CDs.

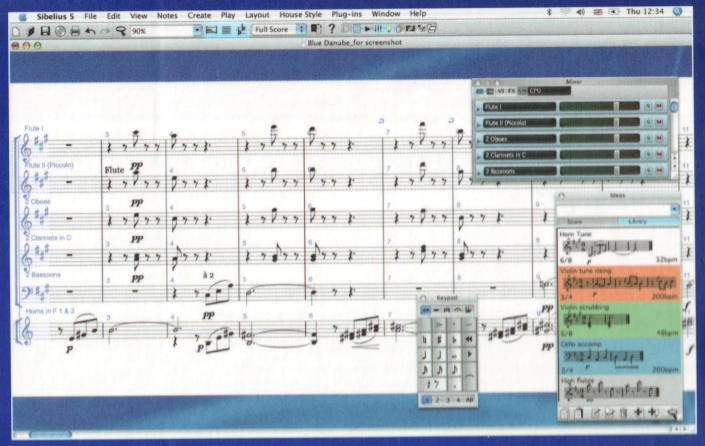
Sibelius 5 is perfect for every kind of musician, from students and teachers to professional composers. So whatever you write music for, you'll find Sibelius 5 as intuitive to use as a pen, yet so powerful that it does most things in the blink of an eye.

"Sibelius is the ultimate creative tool"
Andy Summers, songwriter and guitarist with The Police

"A superb notation and composing tool"
Steve Reich, composer and pioneer of modern music

Royal Academy of Music

"As soon as we saw Sibelius, we realised that it's in a totally different league from anything else"
Royal Academy of Music, London



New features in Sibelius 5

Ideas Hub
Capture, tag and organize passages of music, so you'll never lose another idea

Sibelius Sounds Essentials
Hear your scores played back using a range of specially selected sampled sounds from top-name libraries

VST & Audio Unit support
Access a whole world of sounds and effects and choose exactly the sounds you want for your score

Panorama
A new way of viewing your score which leaves you free to concentrate on writing the music

Easy cues & instrument changes
Make writing and arranging music easier than ever
